1.0 Introduction and Overview

- 1.1 Crawley Borough Council (“the Council”) is responsible for licensing charitable collections within the Borough of Crawley. Charitable collections fall into two categories: House to house collections for money or property and Street collections, which include collections for cash or the sale of articles in the street. If articles are sold for personal gain a Street Trading Permit will be required.
- 1.2 The licensing of charitable collections is regulated by two separate Acts of Parliament: *The ‘Police, Factories, etc, (Miscellaneous Provisions) Act 1916’* which regulates collections of money or sales of articles for charitable purposes in streets and public places and *‘The House to House Collections Act 1939’* which regulates collections of money or other articles made by

means of going from house to house. Both Acts give District Councils powers to write regulations and policies to control charitable collections.

- 1.3 This policy document forms the Council's Charitable Collections Policy ("local policy") that will apply to Street and House to House Collection activities in the Crawley Borough area to ensure consistency in decision making. The aim of the policy is to give detailed guidance on the application of the law relating to charitable collections, provide a clear idea of the requirements that charitable organisations, promoters and collectors must meet before, during and after collections take place. It also sets out the administrative procedures involved in obtaining a permit/licence.

Guidance for Street Collections

- 1.0 An application for a Street Collection Permit must be made to the Council in writing on the prescribed application form provided not later than one month before the proposed collection date.
- 1.1 Street Collection Permit Application forms may be downloaded from the Council's website together with a copy of the street collection regulations or alternatively obtained from the Council's Licensing Section at the following address: **Taxi Licensing Section, The Town Hall, The Boulevard, Crawley, West Sussex RH10 1UZ; Office Tel No: 01293 438944; Email: taxis@crawley.gov.uk**
- 1.2 The application form must be fully and correctly completed and accompanied where appropriate by any necessary information. Before the Council can grant a street collection permit, it needs to have as much information as possible about the charity, its promoters and collectors. For processions and walks, details of the proposed route must be provided with the application.
- 1.3 If the Charity has not previously applied for a permit to conduct a collection and/or sale within the Crawley Borough, the following must accompany the application: the aims and objectives of the organisation including any supporting documents, e.g. constitution and/or articles of association; details of street collection permits approved or refused (other than within the Crawley Borough Council area); a copy of the organisation's most recently audited accounts; and any other relevant information requested by the Council.
- 1.4 Applications will be considered on receipt and, where appropriate, additional information may be requested from the applicant. Failure to provide adequate information in the application form or upon request will result in a refusal or a delay in consideration until any outstanding information has been provided.
- 2.0 **Checks/Consultations on the Application**
- 2.1 The Council reserves the right to make more detailed enquiries about an applicant and the proposed collection in certain circumstances. For example:
- i. A new collector of concern to the Council;

- ii. An organisation's / individual's past conduct;
 - iii. Concerns about the integrity of the collection activity (e.g. suspected bogus charity collection);
 - iv. Complaints from local residents, businesses or other charity organisations;
 - v. Where the activity raises safety or nuisance/harassment concerns; etc.
- 2.2 Enquiries may be made to the local police and/or the Charity Commission for comment/investigation prior to consideration.
- 2.3 The Council may also consult with other council departments responsible for highways or street trading. Where the application for a street collection permit includes a street procession or placing a structure or vehicle on the street/highway; or where the proposed collection relates to the sale of articles in a street/public place, a Street trading permit will be required.
- 3.0 Determination of the Application**
- 3.1 The Council has delegated to the Head of Planning and Environmental Services the authority to consider and determine applications for street collection permits, subject to the criteria set out in the regulations and in this policy document, including any objections/observations/comments received from the Police, Charity Commission, other Local Authorities and persons/organisations consulted with.
- 3.2 Each case will be assessed on its merits and individual circumstances.
- 3.3 The legislation does not include statutory criteria for the approval or rejection of a permit request. This is a matter for the Council's discretion. This policy reflects the wide discretion given to the Council enabling it to grant/decline/limit permits on various grounds that are not specific within the legislation and regulations.
- 3.4 For the purposes of clarification, applications will be considered by Licensing Officers with reference to the following guidelines:
- i. Information provided by the applicant in the application or such further information provided upon request;
 - ii. Any comments received from the Police, the Charity Commission, other local authorities, etc;
 - iii. The organisation's past conduct and the integrity of its collection activities etc., where known, when undertaking collections in the Borough or in other Borough's;

- iv. Whether the person applying for the licence is a fit and proper person to hold a licence;
- v. Whether the organisation/its objectives may be considered to be charitable in character;
- vi. Whether a particular collection is considered to be in the public interest;
- vii. The organisation's connection to the local community;
- viii. How the organisation's work meets the Council's objectives for the Borough;
- ix. The Council's street collection policy and regulations; and
- x. Any other relevant considerations

The Council will then either:

- i. Issue a permit specifying the requested date and location; or
- ii. Refuse to issue a permit on certain grounds

Street Collections Policy

- 1.1 This part of the document sets out how the Council will deal with charitable organisations that wish to collect monies or sell articles for charitable or other purposes in streets and public places.
- 1.2 Definition of “charity”, “charitable purpose” and “promoters”

- a) is established for charitable purposes only, and
- b) falls to be subject to the control of the High Court in the exercise of its jurisdiction with respect to charities.

Meaning of “charitable purpose”

- c) the prevention of relief of poverty;
- d) the advancement of education;

- f) the advancement of health or the saving of lives;
- g) the advancement of citizenship or community development;
- h) the advancement of the arts, culture, heritage or science;

Meaning of “promoters”

For the purposes of this guidance, means a person or organisation who causes others to act as collectors.

2.0 Statutory Powers

2.1 The power that enables the Council to regulate charitable street collections and to issue permits is contained in the *Police, Factories, etc, (Miscellaneous Provisions) Act 1916* as amended by the *Charitable Collections (Transitional Provisions) Order 1974* and as adopted by the Council.

2.2 In accordance with its powers, the Council has made regulations under this legislation for the control of street collections in the area of Crawley Borough Council in respect of the places where and the conditions under which persons may be permitted in any street or public place to collect money or sell articles for the benefit of charitable or other purposes.

2.3 The legislation and regulations stipulate that any collection to be undertaken in a street or public place requires a Street Collection Permit. It is a criminal offence to conduct a street collection in any street or public place within the Borough of Crawley without first obtaining such a permit from the Council.

3.0 Policy Statement

3.1 The Council will use the Charity Commissions objectives as a basis for decision-making:

- i. The public confidence objective.
- ii. The public benefit objective.
- iii. The compliance objective.
- iv. The charitable resources objective.
- v. The accountability objective.

This section outlines the policies the Council will apply when making decisions on applications for permits. In particular, it explains how the street collection regulations are to be applied; and where and how often an organisation may make a street collection in Crawley:

4.0 Allocation of street collection days

- 4.1 The designated areas for street collections in Crawley will be split into two collection areas. Area 1 will be Town Centre Collections and Area 2 will be out of Town Collections which includes any area outside the Town Centre.
- 4.2 The Council will permit a maximum of one collection in any of the above designated areas at any one time, i.e. no more than one organisation can collect or fund raise in the same area on the same date, except by written (e.g. email) agreement from the Council.
- 4.3 The Council operates a diary booking system on a “first come first served” basis for the allocation of street collection dates in order to ensure that all charities have equal access to their preferred collection dates. No guarantee will be given that a charitable organisation’s preferred date(s) will be allocated to that organisation. Where an organisation’s preferred date(s) cannot be granted, alternative dates may be suggested where practicable.
- 4.4 Transitory collections, i.e. those whose collections pass through the Borough, will be given permits subject to their route not coinciding with a permit already granted. These events are normally sponsored walks, street processions, bed pushes or cycle rides etc.

5.0 Consultation on Applications made

- 5.1 The Council will take into account any decision by another Local Authority to refuse permission for the individual or organisation in question to hold a street or house to house collection, and the reasons for it.
- 5.2 The Council will take into account information or advice supplied by the Police or other relevant bodies in deciding whether to grant a permit.

6.0 General Charitable Collections

- 6.1 It is intended that 26 weekend collections or less will be allowed (with the aim of having a weekend with a collection, then a weekend without.)

- 6.2 Applications will be invited for a date in November of each year so that the weekends in the following year can be decided in good time and booked up in advance.
- 6.3 The Head of Planning and Environmental Services will decide whether the collections will be permitted.

7.0 Emergency Charitable Collections

- 7.1 In the case of an emergency, we will aim to allow the collection during the first free weekend following the request to make the collection (i.e. one not already booked.)
- 7.2 Emergencies would include international, national and local incidents. If the emergency has been classified as such (by Central Government, for example) the collection will be normally decided by The Head of Planning and Environmental Services.

8.0 Applicants suitability to conduct charitable collections

- 8.1 The Council will not issue permits to an individual or organisation that has held an unlawful street or house to house collection within its area, or that of another Local Authority.
- 8.2 The Council will not issue further permits to an individual or organisation who has broken the Street Collections Regulations set by this Council, or those of another Local Authority within the last five years.
- 8.3 The Council will not issue permits to an individual or organisation if it is not satisfied that the applicants are fit and proper persons to hold such street collection permits. This will include persons convicted of any offence involving dishonesty, fraud, and offences against the person, indecency or offences involving the conduct of collections?
- 8.4 The integrity of an applicant's collection activities.
- 8.5 The Council will not issue permits to an individual or organisation whose aims do not appear to be charitable or of a closely allied nature. Where there is any doubt about the aims of the collecting body, it may be asked to provide further evidence to clarify that doubt.

8.6 Whilst it is not the Council's policy to require an organisation applying for a permit to collect to be a registered charity, where an application is received that is considered in the Council's judgment not to fulfil the Council's aims, the Head of Planning and Environmental Services may refuse the application.

8.7 The Council will only issue permits to an individual or organisation which provides adequate information so that the application can be considered properly. This may include any information, which might lawfully be requested by the Council in addition to that given on the application form.

9.0 Direct Debit Collections

9.1 The Council does not control collections where pledges are collected for direct debit donations (clipboard collectors or 'chuggers') because they do not collect actual money and there are no legal provisions for collections of this type at present however authorisation from the Town Centre manager must be sought before collectors enter the Borough of Crawley.

10.0 Approval of the Application – Issue of Street Collection Permit

10.1 On approving the application, a Street Collection Permit will be issued to the applicant along with:

- i. A copy of the Council's Conditions/Regulations for a street collection which must be adhered to during and after collections; and
- ii. A copy of the street collections Form of Statement>Returns Form which must be completed not later than one month from the collection date

10.2 As a second option on approval of the application, the Council may impose a number of conditions, such as:

- i. specifying the date, time or frequency of the collection;
- ii. Specifying the area within which the collection is to take place;
- iii. Specifying the form of collection boxes, other containers and any other articles to be used; and
- iv. Specifying any other restriction relating to the circumstances and conduct of the collection.

11.0 Submission of Form of Statement

11.1 Attention is drawn to section 16 of the regulations which sets out the procedure for submission of a statement of income and expenditure (certified by the applicant and either an accountant or an independent person of good standing acceptable to the Council) etc. All items required under this regulation must be submitted within one month of the date of collection and it is essential that this time scale be adhered to. Failure to apply may prejudice any future applications.

12.0 Duration of Permit

12.1 The permission to carry out a street collection is valid only for the period of collection specified in the permit. There are no provisions in the legislation for renewal of permits. Therefore, in all cases when a street collection permit has expired a new application will have to be made for future collections.

13.0 Refusal/Revocation of Application/Licence

13.1 There are no statutory grounds for refusing an application for a street collections permit. However, there is an implied power to refuse if the Council considers that the collections:

- i. Are not for “charitable or other purposes”
- ii. Contravene the provisions of the Street Collection legislation and regulations.

13.2 In addition, the Council can refuse any application that is inconsistent with its general policy requirements for the issue of permits in the Borough. Some of these reasons may include:

- i. To limit the number of collections
- ii. If too high a proportion of the proceeds is likely to be spent on expenses
- iii. If inaccurate information was provided on the licence application
- iv. If the promoter or any other person involved has been convicted of certain criminal offences, in particular offences of dishonesty e.g. theft, blackmail or fraud etc.
- v. Once issued, a licence may be revoked if it is believed the objectives are or could be compromised

14.0 Appeals

- 14.1 Any person/organisation who is dissatisfied with the outcome of an application for a street collection permit may request that the application be considered formally by the Head of Planning and Environmental Services. This must be made in writing within 21 days of the date of refusal letter.
- 14.2 The Act does not allow any legal appeals against the decision of the Council in relation to the refusal of Street Collection Permits. Should a person aggrieved by a decision of the Council feel it necessary, they may seek a Judicial Review of the decision.
