

Do the right thing:

Help us to stop fly-tipping

There's fly-tipping happening across the town and we need your help to stop it.

Waste must be left at authorised sites. Anyone fly-tipping is committing a serious offence which could result a fine of more than £50,000 plus a prison sentence.

For more details please visit www.crawley.gov.uk/recycling or contact us on **01293 438772**

If you've seen someone in your local area fly-tipping, contact the Community Wardens in confidence on **07884 492324**

How to get rid of unwanted items

Garden waste – Compost at home, use our GREENbin collection service or take it to the disposal site at Metcalf Way, Langley Green

Small electrical items – We can now collect these alongside your refuse or take them to Metcalf Way for recycling

Bulky waste collection – For a small fee, the council will collect unwanted furniture and large electrical goods. Residents receiving benefits may qualify for one free collection in any 12 month period

Metcalf Way (Household Recycling Site) – Take unwanted items here and there is no charge for domestic waste

Help neighbours – If you are going to the household recycling site, and know any neighbours who don't have access to a vehicle, please considering offering to help
