

## Recycling Your Used Batteries

Below you will find details of where to send your used batteries, depending on what make they are:

- Duracell batteries can be posted to: Gillette Consumer Services, Freepost OF1503, Aylesbury Road, Thame, Oxfordshire, OX9 3LG. 0800 716 434.
- Ever Ready batteries can be posted to: Ever Ready Recycling, Freepost LOL2311, Dunstable, Beds, LU5 4YY. 0208 882 8661.
- Panasonic batteries can be posted to: Panasonic UK Ltd, Panasonic House, Willoughby Road, Bracknell, Berks, RG12 8FT.
- VARTA batteries can be posted to: VARTA, Freepost 154, Staines Middlesex TW18 3BA.
- Bakersfield Environmental Services will take rechargeable batteries to recycle. Tel: (01425) 462 522 Bakersfield website
- Contact the retailer where the item was purchased to see if they participate in a take-back scheme for old batteries, e.g. For mobile phones, power tools etc. Return watch and calculator batteries to jewellers and return camera batteries to photographic shops.
